ERK PVC MAKİNE
PVC MIXING FEEDING DOSING SYSTEMS

Mixer Blade Coating and Refurbishment

We renew worn turbo mixer blades, impeller sets and cooler paddles and can add an optional tungsten carbide coating, for all blades whether or not Erk made them.

Highlights

For all makes
All blades are renewed, whether or not Erk made them.

Tungsten carbide coating
Optional coating for abrasive recipes.

Renew or replace?
We look at the blade and choose the best route with you.

New blades ready too
If needed, new AISI 304 blades, usually from stock.
